

# The Concierge Club Celebrates Five-Year Milestone

On February 1st at the new The Globe and Mail Centre in Toronto, The Concierge Club, one of the leaders in staffing and events in Canada, celebrated its fifth-year anniversary. The festivities kicked off with The Concierge Club founder Monica Gomez presenting Sick Kids Foundation with a cheque worth \$50,000, raised through the company's charitable efforts. After a sit-down dinner, the crowd was enticed by powerful performances from ballerinas and violinists. Notable guests included Kardashian clan regular, Scott Disick, and graffiti artist Alec Monopoly.
